Refundable Enrolment Deposit Program

Saint John Paul II Academy requires families to participate in the Enrolment Deposit Program, where \$25,000 (per family) is deposited with the school for registered students. The school will pay the families annual interest payments for the duration these funds are held, and the \$25,000 will be returned to the families when the students leave the school.

Saint John Paul II Academy is committed to providing accessible Catholic-based education to all families and does offer bursary support for those who would not otherwise be able to attend.

The Saint John Paul II Academy Tuition Bursary and Enrolment Deposit Bursary Assistance programs provide aid to families with demonstrated need for financial assistance based on a formal bursary application and review process.

Financial aid is based on an annual assessment of demonstrated financial need. Demonstrated need is the difference between the cost of Saint John Paul II Academy and the resources a family has to meet that cost. Please note that the school has limited funds available and may not always be able to meet the financial needs of all families of applicants.

Families may apply for a bursary once their son or daughter has been accepted into the school and will be required to complete a separate application for support, details of which can be obtained from the Academy's principal. All requests for financial assistance will be kept in the strictest confidence.
