SAINT JOHN PAUL II  
ACADEMY  
ALUMNI  
ASSOCIATION

We are thrilled to announce the 2025 SJPII Golf Tournament, hosted by the SJPII Alumni Association on Thursday, May 15th, 2025, at the esteemed Tsawwassen Springs. This exciting event is open to all alumni, parents, and friends of Saint John Paul II Academy.

The tournament presents a unique opportunity for sponsors to enjoy a memorable day of golf, network with distinguished guests, and indulge in a delightful reception dinner. We invite local businesses, whether they already have or are interested in building a relationship with our Academy, to participate as sponsors.

Proceeds from the event will support the Saint John Paul II Alumni financial assistance program and bursaries for students, as well as the enhancement of our athletic programs.

Detailed information about sponsorship opportunities can be found in the attached package. If you have any questions or need more information, please don't hesitate to contact [accounts@sjp2foundation.com](mailto:accounts@sjp2foundation.com).

We look forward to your involvement and support in making this inaugural golf tournament a great success.

# Putting passion into every swing.

The course is divided into two contrasting sections: the more refined south side and the untamed north side.

The south side boasts 10 newly designed holes, with each one completely renovated from its original form. Many of the majestic trees from the original course, including pines, willows, firs, and cedars, have been carefully preserved or relocated to new spots.

These trees provide a striking presence, particularly along the bluff at holes 2, 3, 4, and 5. A large pond—one of six on the course—plays a significant role in shaping several holes, including the 7th and 8th. Near the 9th hole, you'll find Gordy's Bridge, a historic feature that has been kept from the original course layout.
